

## Product checklist (MB6)

Use this checklist to decide whether insights from nature apply to your design.

Checklist	Product
Is it diverse? (Can you get different colours, different sizes etc?)	
Is it attractive/bright/colourful?	
Does it produce waste?	
Is it part of a closed loop system? (Can it be taken apart easily for each component to be re-used?)	
What is the source of energy? (E.g. solar, electrical, chemical etc)	
Is it inspired by nature? How?	
Is it efficient? (E.g. How long is the battery time?)	
List the benefits that the gadget has	
Other notes
